

Rogers Family Charity Trust Award in Biology

Form B: Supervisor Recommendation

Supervisor Recommendation:

Step 1: Save the PDF form to your computer and then open it using a compatible PDF viewer.

- PC users: Adobe Acrobat
- Mac users: Preview

NOTE: You must use the same software to complete the form. Switching software causes technical issues.

Step 2: Complete all sections of Form B

Step 3: Submit a digital copy of the application package (Form A & B) to the Head of Biology for signature.

NOTE: The student is responsible for submitting a digital copy of the application (Form A) to you.

Step 4: Email the complete application package (Form A & B) to the Biology Dept at biology.okanagan@ubc.ca

Questions: contact biology.okanagan@ubc.ca

PART I - SUPPORT STATEMENT

This form serves two purposes:

1. To indicate that you approve of the proposal and the research; and
2. To verify that you have appropriate funding for the project.

To ensure confidentiality of the supervisor's recommendation, the faculty member should complete this form and submit the application package (Form A & B) directly to the Head of Biology for signature. Do not return the application package to the student.

1. Comment on the strength of the applicant.
